

2012 NSHR Ring Of Fame

Lifetime Earnings as of October 16, 2012

Registered National Show Horses that have earned at least \$10,000 in NSH prize money prior to September 21, 1999 or that have accumulated at least 500 points in NSH competition will be admitted to the National Show Horse Ring of Fame. Horses earning entrance in the Ring of Fame will display the symbol ~ after the horse's name. Effective August 4, 2006, Stallion Row Jackpot earnings will not be counted towards Ring of Fame designation. Signs containing the names of the top 25 Ring of Fame horses, as determined by lifetime NSH monetary earnings, will be displayed in the arena at each year's Finals show. The names of all other Ring of Fame horses will be displayed outside the arena.
