ON THE BACK COVER — SHOW HORSE ALLIANCE
Dear Members,

As your chairman I am charged with leading the NSHR in accordance with our by-laws and mission statement. Part of this responsibility, I believe, is to introduce areas that we may explore to generate growth.

As I offer these different ideas and options please understand I have one motivation, to do my best to serve the membership of the NSHR. The extent to which any of my personal ideas become implemented is at the discretion of the BOD and ultimately you as members. In the end without your support and hard work none of these initiatives can succeed. I appreciate you reading the opinion pieces I have written. When something charges you up either negatively or positively, please let me know. No matter which direction we go we are going to need committed members willing to work towards our goals.

At this time I see three options for us. You may have others. We would appreciate hearing them. One option would be following the Saddleseat discipline related opportunities that SHA can give us as outlined in our previous magazine. Another would be to follow the suggestions published in this issue. The third option would be to follow the status quo and wait for something in our existing framework to re-emerge. This option will also require us to make more cuts and become less visible. I am personally not in favor of that. We are not without options. I don’t believe waiting will be in the NSHR’s best interest.

I also look forward to sharing my “Butts in the Seats” program in our next issue. This program revolves around outreach. It will combine education, sponsorship and charity. This program will require a great deal of work with endless rewards.

Thank you and God Bless,

David Mikosz
NSHR Chairman of the Board
Ron Adler, 52 of Miami Beach, Florida, died September 26, 2008 after an extended illness. Ron grew up in Miami Beach, Florida, and was a graduate of Florida State University. He had an extremely successful business as an entertainer and DJ before his illness kept him from his work.

Robert Peebles hired Ron for the first National Show Horse Finals at Rock Creek in Louisville, Kentucky. Ron changed the atmosphere of horse shows ever since. With his rockin’ music and clown like antics he brought a fun and light hearted spirit to the show and stamped the NSH Finals as the party of the year.

He was a professional clown and also contributed to many charitable events especially involving the local Jaycees. You always knew when Ron was in the room—he made everyone laugh. He is survived by the many friends he left behind. There is a memorial web page at www.memorialwebsites.legacy.com/ronadler/Homepage.aspx

The National Show Horse Registry announces the opening of the National Show Horse Foundation to accept donations in support of our program for the rescue/re-homing of National Show Horses.

In addition to financial assistance the NSHR will accept pledges to provide:

a. Pasture board for retirees
b. Stabling and/or training/re-training for potential re-homers
c. Veterinary/Farrier services
d. Horse care supplies
e. Feed

Owners of National Show Horses and Show Horse Alliance enrolled horses unable to care for them may apply for assistance on our Web site. A special form will be posted soon.

Our ability to help will be totally contingent upon your generosity. When properly funded, the program will provide assistance on a first come-first served basis to approved horses.

The National Show Horse Registry looks forward to expanding the program to include NSH’s found at auctions or abandon.

Information on Corporate sponsorships to this program will be released soon.

Donations to support The NSHR Rescue/Re-homing Program may be sent directly to our office:

National Show Horse Registry
10368 Bluegrass Pkwy.
Louisville, KY 40299

For donations of services or materials please contact our Chairman, David Mikosz, through the Web site, www.nshregistry.org, or email nshowhorse@aol.com.
Ever since I can remember, I have always been in love with horses. My family had Tennessee Walkers when I was really young. I can still remember riding our mare around the barn where we boarded her. In 1976, when I was in the second grade, my family decided to sell the horses. It was too late for me because horses were already in my blood. When I was in high school and was asked to do a book report, I always chose a book with a horse in it. Books like, Black Beauty, For the Love of a Horse, Summer Pony, Winter Pony and so on. I also absolutely loved any movie with a horse in it, The Black Stallion, The Black Stallion Returns and of course, The Man From Snowy River. I watched them all over and over again. I still love watching them; my new favorites include Seabiscuit and Dreamer. I cry every time I watch Seabiscuit, it is one of my favorite movies. I was 16 years old when I got my first horse. It was September 17, 1985 and I was getting ready to enter my senior year in high school. My mom had bought me this beautiful black bay two-year-old Arabian filly. She was a Crabbet bred mare and I was in love with her and in way over my head. Her name is Bit of Springtime. That was the beginning of my life with these wonderful animals. My mother was convinced that my fascination with horses would wear off after I found out how much work it would be, but she was very, very mistaken. I learned a lot with Bit, most of it was what not to do. We survived all of it and she is still with me and she is now 26 years old. When I first started breeding my horses I really didn’t have a goal in mind or a purpose. That has changed through the years. In 1988 I bought another purebred mare, Shilo Liberation. She is a daughter of The Chief Justice++/ and out of Imar Libra who was a daughter of The Judge. This mare was the beginning of my showing and breeding of English horses. In the spring of 1993 I met a horse trainer through a mutual friend and his name is Duane Esser. As I talked with him
about Libby he helped me discover what type of horse I had. When I put Libby in training with Duane and then began working for him at horse shows I became addicted. Eventually, I started working for him full time. It was Duane who took me to all the shows and introduced me to this life. He took me to my first National Show Horse Finals. I loved it, it was so exciting and I loved the energy of the show. It was awesome! That year I got to see the horse “Power of Love” show for the last time and it was unlike anything I had ever seen before and I really wanted to be a part of it.

Year after year I looked forward to going to Finals! Duane and I started looking for a Half-Arab/NSH so that I could get the chance to show. In 1996 I actually ended up buying a mare that Duane had bred himself. Her name was EVA Eternal Flame, she was a MS Baquero+daughter and out of a Saddlebred mare named Bold Patricia. We showed a little but in 2001 we went to Finals and went Top 10 in NSH Classic Country Pleasure AOTR. It was so much fun! It made me want more. So, in 1995 I had bred my mare Libby to one of Duane’s stallions that I loved, Rio de Janerio. I had watched Rio win over and over again in the English Pleasure division. In May of 1996 a colt was born, he was a handsome little guy and I named him Comandr-N-Chief+. As Duane started him under saddle we discovered what a beautiful motion he had and he was very laid back. Duane started showing him in the Hunter division, he won his classes. He was gorgeous! I sold him to Stacey Burdick-Taul in May of 2001, she and her husband are both veterinarians from Lexington, Kentucky. Stacey was a client of Duane’s for a few years before she bought Chief. They would go on to be extremely successful. They had won several Regional Top 5’s together at Regions 14, 13, and 11. In 2005 they went National Top 10 in three divisions at Sport Horse Nationals. In 2006 they were National Champion, Reserve National Champion and National Top 10 at Sport Horse Nationals! I had bred a National Champion, I was so very proud of them! In 1999 I bred Libby to Afire Bey V. I wanted a baby by him for some time and had watched all of his babies win time and time again. So in March of 2000 Libby had a colt. He was extremely upright and looked like he would be a great show horse. His name is AJ TanzaniteAfire. He showed with Duane in the Country Pleasure division, he won several classes. In 2004 I put him in training with Martha Murdock. Duane was judging U.S. Nationals so I
couldn’t keep Taz with him and show. With Martha Taz went Reserve National Champion in Show Horse Alliance as a 4 year old! With Martha’s help I sold him in 2005 to Karen Naber of Bayfield, Colorado. Together Taz and Karen have gone on to win several Regional Top 5’s in Country Pleasure, Native Costume and Side Saddle divisions in Region 8. In 2000 my biggest dream would start to become possible. As I was working at Esser Valley Arabians one day, one of our clients came in. Her name is Ann Schaeffer; I knew that she had bred several Half Arabs that had been very successful. When she came in that day she asked if anyone would be interested in buying a Half-Arabian mare that was by Afire Bey V and out of an ASH, Sultan’s Ima Pixie. This mare had been in training with a couple of trainers and it just wasn’t going well. The current owner, Ann Belth, just wanted this mare to go to a good home and just be bred. Immediately I said, “I’ll take her!” This mare’s name is Afirefly.

Duane told me that I was crazy and I should see her first. I told him that I didn’t care what she looked like, with that pedigree it would be worth it. Well after Ann Belth had filled me in on everything that the mare had been through and she sent me a video of Afirefly, which I watched with my mouth hanging open. I bought her. Afirefly arrived at my house in late February. As I watched this mare unload from the trailer I had no idea where she would take me in my life. When I would turn her out in the field and stand and watch her trot I just couldn’t believe that I owned a horse like this. She was so very talented and had so much potential I just couldn’t give up on her. Duane and I decided to give it a try, he worked very hard with her, and she was tough and had been through a lot. I feel like she learned how to fight with her other trainers and learned it well. During this I bred her to another of Duane’s stallions, CT Dom Perignon. He is an El Ghazi son out of GG Jabask++/ daughter. I sold this baby before it was born to Debra and Sarah Uehlein. It was a filly that was born in April of 2001, her name is DJU Mystafire. She will be showing at Finals this year with Duane Esser. Afirefly’s first show, because no one else got her in the show ring was at Finals in 2001. Duane showed her in Three Gaited and made it through her first class and that was good enough for me. In 2002 we took her back to Finals. Duane showed her in the Three Gaited division again. We had a scheduling issue and needed someone to warm Afirefly up. Martha was right down the aisle from us, so we asked her. Martha was on her for just a few minutes and she knew so much about her, I was impressed. Duane went into the Grand Championship and they did great! She went National Top 10! I was crying! I love this horse; she has become so special to me. We went on to show her in several more shows and she developed a following. Every time Duane and I would be at a show I would have people come up and ask if I had brought my big red mare. I couldn’t believe it. It was really amazing how she had that effect on people. In the fall/winter of 2002 I had approached Martha and we had talked about driving Afirefly. She had been broke to the cart in her prior training and had enjoyed it. So, she went to Martha’s. It was an experience that I’ll never soon forget. Martha was so good to both the mare and I, she gave Afirefly the chance that I always thought she deserved. Martha soon gave her a nickname; it was Hoochimama, which was probably the nicest nickname she had at a training barn. They bonded; Martha would take her out and drive her in this large hay field for several miles a day. Afirefly loved it! She would get so excited going down the driveway toward the field. Martha not only got her ready to show in the Open division but she also got her ready for me to show her.

The first time I got to show Afirefly was at the Thanksgiving show 2003. It was so much fun; I would’ve never imagined that I would get this chance. We were first in Pleasure Driving and Reserve District Champion in National Show Horse Driving with me at the whip! It was great! Afirefly and Martha were Reserve Champion Show Horse Alliance English Pleasure Driving and I showed her in Hand to a Championship at The Buckeye Show in 2004. They went Top 5 at Finals that same year. We got her ready to show at U.S. Nationals in 2004. I was so nervous because Duane was judging and would be the call judge in my driving class. Martha had made the decision to scratch showing her so that I would get the opportunity to show. I will never forget that moment of driving down the shoot and then down the ramp into that ring in Louisville! I had many friends and family there cheering us on, I am grateful to them. I made my first cut and got to show back
in the final. The day of my final Afirefly was feeling good and strong, Martha who is always there with words of wisdom, “your going to have to hold this b***h back!” I got into the cart held on and we drove down that ramp. It was unbelievable! I had more fun than I had ever had in my life. It was awesome, Martha was on the rail yelling “Hoochiemama,” which meant that we were looking good and go get them! As Martha stood on the rail with Gene LeCroix, he told her that she had done a great job and that we both had a lot of guts. Gene had worked with the mare before. I didn’t go Top 10 but I was just one card away from it and it was still the best time I had ever had. I couldn’t have asked for more. Afirefly was retired after Nationals and Martha and I decided to breed her to a DHH. We went to Clarke Vesty’s and looked at all the stallions, we chose Kwadraatteus. Afirefly had a colt in 2006; his name is Flyte of the Phoenix. He is big and bold and ready to rock. He will be showing in the Renai Crossbred Futurity with Clarke Vesty. She has just had another colt by Triften+/+ on July 3rd. He is gorgeous and will make a great show horse. I will always be so very grateful to Martha Murdock; I think that she is one of the hardest working women in the industry. She gave Afirefly and me such a wonderful opportunity and more of a chance than anyone else did. I had known Martha for several years before I approached her about Afirefly. She took this horse on and put so much of her heart and soul into her. I would’ve never imagined that I would ever have gotten the chance to show her, let alone at U.S. Nationals. For that I am so very grateful to her. Thank you for everything Martha. I am a small breeder but I think that I have some great horses. I have also been very lucky to have had horses with two very special trainers, Duane Esser of Cincinnati, Ohio, and Martha Murdock of Versailles, Kentucky. I feel that a lot of the small breeders might just have a diamond in the rough that someone could be looking for. Small breeders do make up a large part of the horse market. As a small breeder I try to do my research and ask a lot of questions and find a stallion that would complement the mares that I have. So far, I think that it’s working pretty well for me and for the people who have purchased horses from me. I have some great young horses with some wonderful show horse pedigrees, which include, Reign On, *Eter, The Chief Justice++, The Judge, Afire Bey V, Baske Afire, St Specs Shocwave, and Triften+/+/. I may be small but we trot big! Martha had said something to me recently because I had lost one of my mares and she had a three week old filly at her side. This meant a lot to me and I think that it speaks volumes to anyone who has a horse. “On these days when you wonder why you gave up everything and have nothing close to a normal life, you have to remember that those are the days you go through to prepare for the days that a miracle occurs.”
Membership with the National Show Horse Registry is required to register horses and exhibit horses in NSH and Show Horse Alliance Classes. The National Show Horse Stimulus

by David Mikosz

In the last issue I shared a vision on how and why the National Show Horse Registry (NSHR) might use our Show Horse Alliance (SHA) to bolster involvement and generate commerce. I remain supportive of this initiative. However, I believe there is a potential solution geared entirely towards growth of the National Show Horse (NSH). Some will consider this concept radical. Those of us that recall the beginning of the NSHR will recognize this. It is very similar to how many of our foundation horses were attracted. This formula came into view after a brainstorming session with a historic figure in the NSHR. We concurred, although extremely controversial, this adjustment may be the only way to directly revitalize the NSH breed in the current economic and social climate and in a timely manner.

This breed originated as a ground breaking prize money program for the Part-Arabian saddleseat type horse. Horses of any cross if registered as Part Arabian with the International Arabian Horse Association (IAHA) were eligible for enrollment in the program. Although it quickly evolved into a focus on the Arabian/Saddlebred cross our foundation stock had many other breeds represented from Ponies to Hackney and Quarter Horses. This provided the seed capital and early participants as the Nominated Sire Program developed. At the beginning only certain bloodlines were allowed. As excitement and participation quickly grew the Nominated Sire Program was opened further to include all Arabian and Saddlebred lines. Eventually the NSHR grew from a privately held program based on prize money to an American Horse Show Association (AHSA) now USEF sanctioned breed. This facilitated the need to provide the breeders with additional showing disciplines and marketing opportunities. In my last article, I outlined how we could use the SHA to return to our Saddleseat roots. This new initiative allows us to employ our multi-discipline framework to our advantage while revisiting the original tact that got the whole thing started.

The original tact was the influx of new bloodlines, resulting in excitement and prize money for the NSHR. The original prize money program also focused on amateurs. If the owners want to participate the trainers will come. If the prizes are big enough the owners will want to be included. The fact remains that true NSH breeding (NSH to NSH) has had very few participants. Without this activity catching on the NSH was destined to have difficulty expanding. Some believe this occurred because of the decline in horse investing after the tax laws changed in the late 1980s. Others feel the change allowing ¾ ASB’s to become registered NSH’s curbed enthusiasm for NSH to NSH breeding. There may be other reasons, none of which change the fact that direct breeding hasn’t caught on and breeding, in general, has diminished. Although Saddleseat disciplined based showing and the openness of the SHA has the potential to improve our situation long term. The concept being introduced here is targeted at applying some of the same resources towards directly renewing the NSHR quickly. Many of you have expressed to me that this is your direction of choice.

What? The National Show Horse Registers Thousands

This concept would require changing the breed restrictions of the NSHR allowing a registered NSH to be a crossbred horse having a minimum of 25 percent blood from one of our parent breeds (Arabian or American Saddlebred). If we do this thousands of horses would instantly become eligible for registration as a NSH.

Obviously this plan would constitute a major change to the NSHR. If approved by the BOD this measure would need to be ratified by a majority vote of our General Membership as specified in Article 14.2 of our bylaws. This venture falls totally in line with the NSHR Mission Statement adopted in 1989.

This could represent a colossal opportunity. Both physical and financial expansion of the NSHR can be forecast. This potential outcome is based on the number of horses this change would make eligible for NSH registration. Careful allocation of the potential revenue could generate enough new resources to revitalize one of the NSHR’s foundation tenants, our prize money program in a major way.

There are several concerns that would need to be addressed before embarking on this path. One important concern is the potential disenfranchisement of the
Nominated Sires owners. There must be an additional incentive attached to any such project for them. For example, adding prize money for horses by Nominated Sires. Certainly many other details will need to be addressed in an effort to avoid marginalizing anyone’s previous contributions to the NSHR.

**So How Could This Work?**

First of all our pool of eligible horses will include all AHA registered Part-Arabians. I estimate conservatively this to be a pool of 50,000 plus horses. It is estimated by experienced resources that about 25 percent of the total pool participate in sanctioned shows. Our statistics show that approximately 2,000 horses registered as NSH foundation stock in the early 1980s. Remember these were only the horses that their owners believed to be Saddleseat type. We got that many from a smaller pool and one discipline. We now can pull from a much larger pool and horses from many disciplines are eligible.

This change will also make eligible for NSH registration most crossbred horses from the Renai, Morab and Half Saddlebred registries as well as any other individuals that can substantiate their breeding to include 25 percent Arabian or Saddlebred blood. Based on the previous statistics a target of 1,000 newly registered NSH’s before 2010 Finals seems attainable to me. The following framework can be developed from that benchmark.

Using figures from our current discounted fee structure, $500 is the maximum for an Individual Progeny Nomination. I have based the rest of my projections on using this number ($500) as a fee for all new NSH Registrations not by a Nominated Sire. (The IPN category of registration will no longer be needed should we initiate this stimulus program.)

**Why Now?**

There is a great deal of evidence that businesses bold enough to take aggressive action in a down economy many times reap terrific rewards. As others are hunkering down to weather the storm we are positioned to take the lead just as we did back in 1982. (Thanks to Gene LaCroix’s vision.)

So why would an eligible horses owner want to part with $500 to become a NSH now? First of course is the potential to win substantial prize money. (A subject which will be detailed out later in this writing.) The rest of this answer includes the following.

The National Show Horse Finals is well known amongst owners and trainers as the “most fun show of the year”. One of the attributes that has helped it earn this reputation is its propensity for being extremely exhibitor friendly.

In Springfield, Illinois, all the stabling is very good. Training Stables’ setups are relatively easy and inexpensive to do. Even with our previous four day schedule a busy stable still has time to enjoy camaraderie and parties. These begin on the first evening with the Registry sponsored pizza and pop prior to our annual membership meeting. We follow this with our very successful progressive barn party and Stallion Row Jackpot Auction party with tons of excitement on Thursday and Friday night respectively. We cap off the show with an exhibitors party where we all get to mingle and unwind while we peruse our proofs at expert photographer, Howie Schatzberg’s, booth.

Work arenas are close and surfaces are well maintained. This saves so much time. The weather is usually temperate, with cool mornings and warm days, it is usually very pleasant for the horses and the exhibitors.

The simplicity of the NSH rules also contributes to a great deal of freedom for trainers. They can easily prepare horses to their best advantage without a lot of anxiety. The Finals provides a top farrier and experienced veterinary

**Mission Statement**

AUGUST 7, 1989 — The purpose of the National Show Horse Registry is to maintain a fiscally sound organization to promote the breeding and showing of the National Show Horse; to increase popularity and participation within the general public through innovative programs. The Board of Directors of the NSHR is charged with the fiduciary responsibility of the Corporation, including prudent asset management and increasing the fund balance.

The Board is also responsible for developing and overseeing all programs of the NSHR. These programs shall include promoting and assisting sanctioned horse shows that provide local and District NSHR classes, including the distribution of prize monies and promotional material to these shows.

The NSHR shall be responsible for the promotion and management of a yearly National Finals competition. The NSHR shall continue to develop services to the general membership; to encourage and promote youth and amateur programs; to provide incentives for increased participation in the NSHR, and to be an effective liaison with local clubs, both for communication with the national registry, and with other clubs.

To maintain the highest level of expertise and integrity in horse show judging, the NSHR shall provide the means of accreditation, education and review for NSHR judges and potential judges.

The NSHR and its Board of Directors shall work with affiliated groups and associations within the horse industry to increase understanding and awareness of the National Show Horse, and to participate in programs that will benefit the horse industry at large. It is the mandate of each Director to serve in the best interest of the breed and the Registry as a whole, and to maintain the highest standards of ethics and commitment.
services. The Finals is over on Saturday night leaving Sunday for packing up and travel. Teardown is easy and many farms near the central part of the country can be home by Sunday night. This also helps to keep hotel and staff expenses down.

OK. So How About the PRIZE MONEY?

Based on 1,000 horses at $500/horse we will potentially have a pool of $500,000.

I propose we distribute it as follows:

1. $250,000 in 10 Grand Championship Classes at $25,000 per class
   $10,000 for Champion
   $5,000 for Reserve
   $1,250 for the remaining Top Ten

2. Prize Money Tiers. Tiers based on horses in the ring at the close of the gate.
   16 plus horses = 100 percent to be given out as above
   10 to 15 horses = 75 percent to be given out as CH $7,500, RCH $3,750, TTen $937.50 = $18,750
   9 or less horses = 50 percent to be given out as CH $5,000, RCH $2,500, TTen $625 = $12,500

3. Horses by Nominated Sires receive prize money plus an additional 25 percent. Existing IPN registered horses receive prize money plus 10 percent

4. Horses may qualify at NSH Finals for the Grand Championships if not previously qualified.

What Happens to the Balance?

Theoretically, if all winners were by Nominated Sires and all assigned classes had 16 plus horses the residual balance could be $187,500. If we achieve more than 1,000 horses the residual could be over $250,000.

The total exposure to the NSHR if all winners were by Nominated Sires and all assigned classes have 16 plus horses is $312,500. This makes 625 new registrations the minimum needed to achieve maximum needed for payout.

Realistically 500 horses are likely to cover the prize money leaving little or no residual. We are capitalized to cover total failure if we had to payout the advertised $250,000 and received no new registrations.

At present our daily operations are in a negative cash flow position. If we don't do anything to generate new business (in a big way and soon) our survival will be based on the effectiveness of SHA with focus on Saddleseat discipline programs and the decline or gain to our investment portfolio. Even additional cuts to our operational expenses will only extend our relevancy for a short time.

The potential $187,500 plus to be generated by our Stimulus could be allocated to fortifying our savings and as seed capital for the following year. The memberships and daily activity of this project can be enough to overcome our short fall in operational expenses.

Should this Stimulus give us the kind of financial breathing room it has the potential too. I will recommend we revitalize our support of the District prize money programs in 2011. I also recommend taking five percent of any residual from this first year and allocate it to our NSH Rescue and Re-Homing Program. Should we achieve beyond our expectations I would look to expanding prize money classes. Should we perform somewhere in the middle, we may need to cut paying classes while leaving the prize amounts the same.

How About the Future?

Of course this can be nothing but written speculation about an unapproved program with no track record. A minimum of 300 new registrations will be needed the following year to continue the program as outlined here. That minimum however must include using $100,000 from the previous years’ proceeds as start up capital. A minimum of 500 newly registered horses will be needed each year to make the program self sustaining at the proposed $500 registration rate. If the program really becomes popular it may be possible to discontinue or adjust current discounted registration rates. This will allow a decrease in the number of registrations needed to continue and/or expand the proposed program. The Part-Arabians are currently registering over 2,500 horses per year. Including the other available crossbreds and using the 25 percent interested in showing formula previously mentioned. We can anticipate a pool of 500 plus new horses eligible each year as long as production levels remain similar. Using these numbers, although it may be a challenge, having this stimulus maintain financial traction is possible to project. As long as no large scale inflation occurs in our national economy to dilute the significance of the size of our prizes this program can remain viable in the foreseeable future.

Which Classes to Start?

I suggest the following classes as a starting point to include most of our disciplines. More classes can be added at a rate of one new class for every 100 horses we achieve above our goal of 1,000. I would likely recommend adding Driving classes and classes that promise high levels of participation.

Mare Halter ATH Grand Championship
Gelding Halter ATH Grand Championship
Western Pleasure ATH Grand Championship
Hunter Pleasure ATR Grand Championship
Show Hack ATR Grand Championship
Country Pleasure ATR Grand Championship
English Pleasure ATR Grand Championship
3 Gaited ATR Grand Championship
5 Gaited ATR Grand Championship
Saddleseat Equitation Grand Championship (paid as scholarships)

No cross entries in the grand championships except for equitation and halter.
Qualifications must be evaluated and adjusted to fall in line with the Stimulus if it is approved.
In conclusion I have offered this idea in detail only to give us a real framework as a starting point for constructive discussion. In the end any major change is up to you. The point I really want to drive home is we need to do something soon to remain relevant. We are not in danger of “going out of business”. We are getting very close to needing more cuts just to keep the “doors open”. My fear is more cuts will just result in less visibility hence continued decline in the attractiveness of our product. This product happens to be a horse that I love and owe my career too. It is in this spirit that these alternatives are being offered. The NSHR’s future is in your hands.

IT’S BACK AGAIN!!

The SILENT AUCTION for NSH SCHOLARSHIP FOUNDATION

The Silent Auction is back to benefit the NSH Foundation. Remember proceeds go to the foundation which was created in order to help fund the NSH Equitation Scholarships. We’re pleased to announce what has already been donated, with more to come!

* 1 month training with Duane Esser
* Sculpture All Things Equine
* 2 Cases of Succeed
* Ramard Total Joint Care
* 1 Stall for Syracuse International
* 1 Ton of Nutrena Feed
* 11x14 Photograph from Howie

Did you know your National Show Horse earns more than prize money in NSH approved competition? Until recently, these points didn’t mean very much to the average NSH participant, as they were tabulated only for determining sire rankings.

The NSHR Board of Directors has instituted a new program to recognize NSHs accumulating points in National Show Horse competition. An Annual High Point award will be given in the following divisions: Country Pleasure, Country Pleasure Driving, Pleasure Driving, Fine Harness, Three Gaited, Five Gaited, English Pleasure, Hunter Pleasure, Western Pleasure, Show Hack, Mare Halter, Stallion/Gelding Halter, Classic Country AOTR, Classic Country AOTD and Sport Horse.

Recognition of the winning horses will be published annually in National Show Horse as well as in the Finals Show Program and on the Registry’s web site (www.nshregistry.org).

How can you participate in the 2009 Annual High Point race? The rules are simple. Fill out the entry blank and send it along with the enrollment fee to the NSHR office. Points will only be calculated for those horses enrolled. Points may be earned during the period September 21, 2008 through September 19, 2009.

Now, to keep things interesting, each horse’s status in the race will be posted on the Registry’s web site and in each issue of National Show Horse. So fill out the entry blank and SHOW YOUR HORSE!

This year’s National Show Horse Finals will be the fifteenth class of Stallion Row Jackpot weanlings. Over the past 14 years, the Registry has paid out over $389,000. This year’s jackpot is at $39,100, which is a payout of close to $12,000 for the champion. In our last publication, we followed up on the first seven winners. Now I would like to take a look at the remaining seven.

It was 2002 when Tony Steiner entered the ring with Maximus, by Sting Ray. Bred by Robert Ratte, this colt garnered the red roses and a check for just over $2,000. In 2005, Maximus was named Champion of Champions at the NSHA of Minnesota’s Futurity show.

Cedar Ridge Farm presented Toi Diva CRF—, Toi Supreme CRF’s sister, in 2004. Toi Diva CRF— made it to the Ring of Fame with her winnings of over $22,000, the largest jackpot to date. Toi Diva CRF— was 2008 NSHR Finals Top Ten Country Pleasure Junior Horse and Region 10 Half-Arab Country Pleasure Junior Horse.

In 2006, Luv Struk came through the gate at Springfield with Larry Beethe and took home over $16,000. Luv Struk is by SF Psyche Cynead. That same year Luv Struk was NSHR Reserve National Champion Weanling Filly, and she came back to do it again at the 2007 NSH Finals to be named Reserve National Champion Yearling Filly as well as taking home a Top Ten in the SRJ Yearling and Two-Year-Old Filly class.

In 2007 brought to the limelight, Jim Kelly and LC All Jacked Up. LC All Jacked Up is by The Nobelest and is bred and owned by Cortese Arabians. LC All Jacked Up took home over $13,000 and went on the win at the 2008 Region 13 Championship show. At the 2008 NSHR Finals, LC All Jacked Up was named National Reserve Champion Yearling Colts and Top Ten NSH SRJ Yearling and Two-Year-Old Colts. Our deepest sympathies go out to the Cortese family with the recent loss of The Nobelest.

Last year we saw My Starina BFV take home her check of close to $13,000. Jeff Schall had the honors for owner/breeder Christine Hasse. My Starina BFV is by Brush Fire V. She was named Top Five Yearling Filly this year at Region 10.

At this year’s Finals, the Stallion Row Jackpot Weanling class will be held Friday, September 18. Immediately following the class, the auction for the 2011 class will begin. Hope to see you there.

2009 NSHR RING OF FAME
LIFETIME EARNINGS AS OF AUGUST 20, 2009

Registered National Show Horses that have earned at least $10,000 in NSH prize money prior to September 21, 1999 or that have accumulated at least 500 points in NSH competition will be admitted to the National Show Horse Ring Of Fame. Horses earning entrance in the Ring Of Fame will display the symbol ~ after the horse's name. Effective August 4, 2006, Stallion Row Jackpot earnings will not be counted towards Ring Of Fame designation. Signs containing the names of the top 25 Ring Of Fame horses, as determined by lifetime NSH monetary earnings, will be displayed in the arena at each year’s Finals show. The names of all other Ring Of Fame horses will be displayed outside the arena and in the Finals show program. Horses in bold print are new in 2009:

2009 NATIONAL SHOW HORSE FINALS
SPRINGFIELD, ILLINOIS
JUDGES

Bruce Bates .................................................... Wyandotte, OK
Tim Lockard ................................................... Russell, IA
Liz Shatner ..................................................... Studio City, CA

All classes, with the exception of American Hackney Pony and American Hackney Horse classes which will be judged by Lockard only, will be judged by Bates, Lockard and Shatner. Assignments of #1, #2 and #3 will be made by committee and posted in the horse show office. The system of judging and scoring in all National Show Horse classes will be the Majority Opinion System (MOS). Under the Majority Opinion System, all three judges carry equal weight in the final class decision, and winners are placed by the best two out of three votes. Each horse is judged as if it were working individually and then compared with the performance of all other horses in the class who are judged on the same basis. All judges place the same number of entries in each class, depending on class size. Ties are resolved by averaging the opinions of the three judges. Show Horse Alliance In-Hand classes will be scored.

Biography

Elizabeth Shatner is a product of the Arabian Youth Judging program. She participated with the Indiana Arabian judging team for three years in the 1970s for which she garnered a scholarship to Purdue University in Animal Science and top Arabian National Youth Judging competition honors. She has been judging ever since.

Elizabeth currently holds six USEF judges cards: five “R” and one “r”.

She has judged National, Regional and World Championship shows for Arabians; Saddleseat; Equitation; Andalusia; and American Saddlebreds; Renai Roadster; Hackney/harness; National Show Horse; and Icelandic horse.

Elizabeth started showing before she was ten-years-old. She has owned, competed with and trained a Galeceno; Arabians; Half-Arabians Saddlebreds; American Standardbreds; Hackney ponies; Quarter Horses; and Andalusians. She is currently competing within the American Saddlebred, American Standardbred, and American Quarter Horse (reiners) breeds as a non-professional after working more than 20 years as a professional horse trainer, instructor; horse business owner and breeder.

Competing from Pennsylvania to California over her lifetime, some of the highlights of her horse and show career are:

- Working with World and National Champions such as Bonsai, Irish Lace, Stanley County Fox, Yorktown Pudding.
- Riding and winning the:
  - 2002 Ama Five Gaited World Grand Champion with Full Monty
  - 2002-2008 World Grand Champion Roadster under saddle with All Glory
  - World Championship in Ladies Ama Roadster to bike with All Glory
  - 2007 World Grand Championship Ama Three Gaited with Boston Legal

Selecting, owning, and developing Wild Eyed and Wicked. She has served as UPHA Co-Chairperson, served on the Equitation Committee for then-ASHA, and has been a clinician, producer and announcer for Equine Affaire and EQUITANA, and The Celebration of the Horse. She has volunteered for the therapeutic riding program AHEAD with Horses, raised funds for Montecito Trail Foundation and the wild horses of Catalina Island through private horse exhibitions. Elizabeth also volunteers for the Hollywood Charity Horse Show, which has raised several million dollars for at-risk and disabled youth.

As for judging, she aspires to adhere to the class specs and views each class as a “clean slate”, whether it’s a qualifier or championship. She is honored and enthusiastic to be returning to judge the NSR Finals.

In the spirit of the finals, she wishes for the exhibitors and the competition, “Much safety, fun, and that the horse show gods shine on them with good fortune.”
