

National Show Horse Registry Stallion Row Jackpot Futurity Program and Rules (revised 1-1-2012)

Only a registered National Show Horse, sired by either a **Diamond Stallion** or by a Stallion Row Jackpot Sire, will be enrolled by the National Show Horse Registry as a "Stallion Row Jackpot Futurity Entry," thereby being eligible to participate in the Stallion Row Jackpot Futurity Program. A Stallion Row Jackpot stallion must successfully participate in the Stallion Row Jackpot Auction for the year the mare was bred for his foals to qualify.

For example: A 2001 Stallion Row Jackpot Stallion whose breeding sold at the SRJ Auction at the 2001 NSHR Finals will breed mares in 2002 for this program. The resulting National Show Horse foals born in 2003 will be *Stallion Row Jackpot Futurity Entries*.

Enrolling a NSHR Lifetime Nominated Sire or a National Show Horse stallion as a Stallion Row Jackpot Sire

Only National Show Horse Lifetime Nominated Sires and National Show Horse Stallions are eligible to participate in the Stallion Row Jackpot Futurity Program.

There is no cost for the stallion owner to enroll their NSHR Lifetime Nominated Sire in this program, however, the stallion owner must donate a breeding to their stallion to the *Stallion Row Jackpot Stallion Service Auction* for the year they wish to participate. A limit of 80 stallions, consisting of 75 Stallion Row Jackpot Stallions and 5 **Diamond Stallions**, per year, are allowed to participate in the auction.

The NSHR Lifetime Nominated Stallion may offer transported semen or live cover to participate in the Stallion Service Auction. Collection, shipping, board, breeding, handling and/or container fees are to be paid by the winning bidder/breeder. Any specific limitations on the donated breeding may also be noted at time of stallion's enrollment.

The stallion owner agrees to provide the NSHR with a breeding contract and stallion information, i.e.: (stallion photo, video, pedigree and any other information) prior to NSHR Finals.

Stallion Row Jackpot Bidding - Bids will start at a minimum of 50 percent of the stallion's advertised stud fee or at an amount designated by stallion owner if stallion stands at private treaty. Winning bids are to be paid in full at the close of the Auction held at NSHR Finals. Any bidding disputes will be resolved by the NSHR Stallion Row Jackpot Committee. Stallion services not sold at Finals will be offered for sale to the general public via mail-in bids through March 31st of the year following the auction at 60 percent of the advertised stud fee. Stallion owners may also purchase their own breeding after Finals through March 31st of the following year. Services not sold at Finals will be sold on a first come, first served basis.

Stallion Row Jackpot Auction Breeding - Each stallion owner participating in the Jackpot (if the breeding is sold) will be permitted to place one foal in the resulting *Stallion Row Jackpot Weanling Auction Open Class* at no entry fee. High bidders for each stallion's service will also be permitted to place one foal in the *Stallion Row Jackpot Weanling Auction Open Class* at no entry fee. The stallion owner may, if he/she desires, outbid other bidders during the SRJ Auction for his/her stallion's services and thus place two offspring in competition. The stallion owner may use this free nomination, sell it, or give it away with a breeding to their stallion as long as they designate it as their SRJ Auction owner nomination breeding. **A Stallion Row Jackpot Auction Breeding Mare Designation** form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred. If the mare does not conceive the first year, the **Stallion Row Jackpot Mare Designation Rollover Breeding** form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred to transfer this breeding, one time, to the following year. Resultant foals by mares not designated by December

31st of the year the mare was bred will not be eligible to compete in the resulting *Stallion Row Jackpot Weanling Auction Open Class*.

Live Foal Guarantee - The stallion owner agrees that in the event the mare designated by the stallion service buyer, or the stallion owner, does not bear a live foal for the resulting *Stallion Row Jackpot Weanling Auction Open Class*, as testified to by a licensed veterinarian, the designation will carry over to the following year competition at no additional fee to NSHR, but money expended for the original service fee will remain a part of the original year's Jackpot.

Live Stallion Row at NSHR Finals - Stallion Row Jackpot Sires or **Diamond Stallions** shall notify the NSHR by August 15th of the year in which they want to attend, and purchase one stall for their stallion, these stallions will be part of a "Live Stallion Row" at NSHR Finals. This "Live Stallion Row" will include Media attention and presentation at the Show.

Achieving Diamond Stallion Status for the Stallion Row Jackpot Sire

The nomination title of "**Diamond Stallion**" will be awarded to the stallion whose breeding has sold for 5 consecutive years at the Stallion Row Jackpot Auction starting with the 2001 Stallion Row Jackpot Auction. An enrollment certificate and stall plate will be given to the stallion owner. Diamond Stallions' names will be displayed and announced at NSHR Finals. The Diamond Stallion title shall be a permanent stallion nomination classification recorded with the National Show Horse Registry.

The **Diamond Stallion** achievement title will allow ALL of a **Diamond Stallion's** current and future National Show Horse get, automatic enrollment as a *Stallion Row Jackpot Futurity Entry* and the eligibility to compete in all of the Stallion Row Jackpot Futurity classes offered, even if the stallion owner does not donate any further stallion services to the SRJ Auction. The only class excluded from participation would be the *Stallion Row Jackpot Weanling Auction Open Class*, unless a breeding is donated to the SRJ Auction for that specific year. A **Diamond Stallion** may participate in any auction year, without having to be placed on the general waiting list, by requesting a **Diamond Stallion** Auction Slot from the NSHR. See "Diamond Stallion SRJ Auction Slots" rules listed below.

Benefits for the Diamond Stallion

The owner of a **Diamond Stallion** may advertise his stallion as a **NSHR Stallion Row Jackpot Diamond Stallion** and use the approved **Diamond Stallion** Logo in his advertising. Benefits for the **Diamond Stallion** owner include: permanent stallion nomination, all of his NSHR foals automatically become *Stallion Row Jackpot Futurity Entries*, additional notoriety of their stallion and a discounted fee for advertising in the National Show Horse magazine.

Diamond Stallion SRJ Auction Slots - Five Stallion Service Auction slots will be reserved each year for **Diamond Stallions**. Notification of desire to participate must be communicated to the NSHR. Acceptance is on a first come, first served basis. These slots are specifically designed for stallions who have reached **Diamond Stallion** status and whose owners would like to donate a breeding to the SRJ Auction for that specific year, are not currently in that year's auction, and do not want to donate a breeding to the SRJ Auction on a regular yearly basis. Enrollment is to be made on the *Stallion Row Jackpot Stallion Enrollment* form.

Re-Enrollment of Stallions in the SRJ Stallion Service Auction

The Stallion Row Jackpot Stallion Service Auction is limited to 80 NSHR Lifetime Nominated sires each year: 75 stallion slots for regular Stallion Row Jackpot Sires and an additional 5 slots reserved for **Diamond Stallions**. Auction slots are available on a first come first served basis, when available, with priority enrollment/re-enrollment listed below. **Diamond Stallion** owners may enroll their stallion if a **Diamond Stallion** Auction Slot is available by using the *Stallion Row Jackpot Stallion Enrollment* form.

1st Priority ~ Stallions' Services That Sold at Previous Year's Auction

Due to the program being limited to 75 regular auction stallions, stallions whose services sold the previous year shall have the first priority/opportunity to re-join the Stallion Row Jackpot

Auction Program for the following year. The stallion owners have until October 31st, following NSHR Finals, to re-enroll in the next year's SRJ Auction by signing the *Stallion Row Jackpot Stallion Enrollment* form and faxing or mailing it to the NSHR. After October 31st, the stallion cannot be guaranteed a SRJ Auction slot, but can still participate if a slot is available at a later date. If a stallion owner desires, they may substitute another NSHR Lifetime Nominated Sire they own for the stallion's SRJ Auction slot that sold at the auction the previous year; thereby still guaranteeing his participation stallion service slot in the Auction program. All future restrictions still apply.

2nd Priority ~ Stallions' Services That Did Not Sell at the Previous Year's SRJ Auction

Stallions whose services did not sell at the previous year's SRJ Auction shall have the 2nd priority/opportunity to re-enroll into the *Stallion Row Jackpot Stallion Service Auction Program*. The stallion owner has until October 31st, following NSHR Finals, to purchase or sell his stallion's *Stallion Row Jackpot Stallion Service Auction* breeding to maintain his 1st Priority status in the program. If the breeding is sold after October 31st, the stallion cannot be guaranteed a re-enrollment slot on the next year's Stallion Row, but can join if a spot is still available. **Stallion Services that do not sell at the SRJ Auction on the last night of NSHR Finals will become available on a first come first purchase price of 60 percent of their advertised stud fee until March 31st of the following year.**

A stallion, whose services did not sell by October 31st shall lose his 2nd priority re-enrollment status and go to 3rd priority re-enrollment status. The breeding will continue to be offered for sale to the public until March 31st of the following year. However, if it sells after October 31st, the stallion would still be moved to 3rd priority re-enrollment status. A stallion owner whose stallion's service did not sell, does not have the option of switching stallions while still maintaining his 2nd Priority status. A new stallion would become a 3rd Priority stallion if he chooses to do this.

3rd Priority ~ Late Selling Stallion Services and New Stallions to Program

The remainder of stallions shall be considered by date and time stamp of their Stallion Row Jackpot Stallion Enrollment form being received to join the NSHR Stallion Row Jackpot Stallion Service Auction Program.

Bidding on a Stallion Row Jackpot Auction Breeding (Foal Eligible for Auction Class)

Bidder Numbers - Prior to bidding, bidders must be assigned a bidder number. Bidder numbers will be assigned after a credit card or check has been received by the NSHR. A bidding form may be found at the back of this rulebook.

Starting Bid - The stallion's donated breeding will be auctioned off to the highest bidder. Bids will start at a minimum of 50 percent of the stallion's stated stud fee or at an amount designated by stallion owner if stallion stands at private treaty. Winning bids are to be paid in full at the close of the SRJ Auction at NSHR Finals. Any bidding disputes will be resolved by the NSHR Stallion Row Jackpot Committee.

Bidding - Stallion's services may be bid on each year starting from late November (on the internet) through Friday night of NSHR Finals. Bidding may include mail-in, faxed, Internet, live, silent and modified silent bidding and will be placed on file with the National Show Horse Registry. Internet bidding on stallion services may be found at the NSHR's Website, www.nshregistry.org. Email nshowhorse@aol.com. Silent and modified silent bidding will end on Friday night of NSHR Finals. Services not sold at NSHR Finals will be sold on a first come, first served basis through March 31st of the year following the SRJ Auction. The SRJ Auction's proceeds directly fund the prize money for the Stallion Row Jackpot Futurity Program. See General Rules for breakdown of funding.

Deadlines for Stallion Row Jackpot Bidding

Mail-in bids must be received by the NSHR August 31st prior to NSHR Finals.

Faxed bids must be received by the NSHR August 31st prior to NSHR Finals.

Emailed bids must be received by Friday evening of NSHR Finals by 6:00 p.m. Central Standard Time.

Winning Auction Bid - The successful bidder for each stallion's service will be permitted to place one National Show Horse registered foal in the *Stallion Row Jackpot Weanling Auction Open Class* at no entry fee. A Stallion Row Jackpot Auction Breeding Mare Designation form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred for the entry to be valid. If the mare does not conceive the first year a Stallion Row Jackpot Mare Designation Rollover Breeding form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred. Both forms are available in the back of this rulebook. Resultant foals by mares not designated by December 31st of the year the mare was bred will not be eligible to compete in the resulting *Stallion Row Jackpot Weanling Auction Open Class*.

Stallion's Collection and Handling Fees - A stallion's collection, handling and/or container fees are set by the stallion owner and are the responsibility of, and are to be paid by, the winning bidder/breeder to the stallion owner and are not included in the winning SRJ Auction bid amount. Any specific limitations on the auction breeding may also be noted on the stallion's breeding contract and are the responsibility of the successful bidder/breeder.

Designated Mare in Stallion Row Jackpot Auction - The designated mare as named by the stallion service buyer and/or stallion owner in each case must be owned or properly leased by the stallion service buyer and/or stallion owner at the time of breeding. Designated mares and foals in each instance resulting from the designated mating can be sold by the stallion service buyer and/or the stallion owner, with all Stallion Row Jackpot Weanling Auction Open class rights transferred to the new owner. The National Show Horse Registry must be notified of all transfers of ownership in writing within 30 days following the transfer of ownership. A *Stallion Row Jackpot Auction Breeding Mare Designation* form must be filed with the NSHR by December 31st of the year the mare was bred for the entry to be valid. If the mare does not conceive the first year a *Stallion Row Jackpot Mare Designation Rollover Breeding* form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred. Resultant foals by mares not designated by December 31st of the year the mare was bred will not be eligible to compete in the resulting *Stallion Row Jackpot Weanling Auction Open Class*.

Live Foal Guarantee - The stallion owner agrees that in the event the mare designated by the stallion service buyer, or the stallion owner, does not bear a live foal for the resulting *Stallion Row Jackpot Weanling Auction Open Class* as testified to by a licensed veterinarian, the designation will carry over to the following year competition at no additional fee to the NSHR, but money expended for the original service fee will remain a part of the original Jackpot. The mare used or "designated" in the previous year, that did not conceive, need not be the same mare "designated" in the new breeding season. If the mare does not conceive the Stallion Row Jackpot Mare Designation Rollover Breeding form must be filed with the National Show Horse Registry by December 31st of the year the mare was bred. Resultant foals by mares not designated by December 31st of the year the mare was bred will not be eligible to compete in the resulting *Stallion Row Jackpot Weanling Auction Open Class*.

Participation Rules for Mares Bred to Stallion Row Jackpot Sires or Diamond Stallions (Non- Auction Classes)

No form needs to be filed for mares that are NOT being bred for a SRJ Auction breeding. To participate in the *Stallion Row Jackpot Futurity Program* the mare must be bred to either a **Diamond Stallion** or a current Stallion Row Jackpot Sire. If bred to a Stallion Row Jackpot Sire, the sire must have donated a breeding and had it sell in the SRJ Auction for the year the mare was bred, this requirement is for participation in the open classes only. The Amateur classes are exempt from this requirement. Starting with a stallion's enrollment in the 2001 Stallion Row Jackpot Auction and onward, all National Show Horse offspring sired by a stallion that is currently, or was at one time, a Stallion Row Jackpot Sire are eligible to compete in any of the

Amateur classes. (A list of approved NSHR Stallion Row Jackpot and **Diamond Stallions** is available from the NSHR.) Only a registered National Show Horse, sired by either a **Diamond Stallion** or by a Stallion Row Jackpot Stallion, will be designated by the National Show Horse Registry as a *Stallion Row Jackpot Futurity Entry*. This *Stallion Row Jackpot Futurity Entry* will then be eligible to participate in any class in the *Stallion Row Jackpot Futurity Program*, with the exception of the *Stallion Row Jackpot Weanling Auction Open Class*, unless the NSHR weanling is a direct result of the purchased Stallion Row Jackpot Auction Breeding.

For example: A 2001 Stallion Row Jackpot stallion whose breeding sold at the SRJ Auction at the 2001 NSHR Finals will breed mares in 2002 for this program. The resulting National Show Horse foals born in 2003 will be *Stallion Row Jackpot Futurity Entries*.

General Rules of the Stallion Row Jackpot Futurity

NSHR Finals judges will judge the Stallion Row Jackpot Futurity classes according to the National Show Horse breed standard as defined by the current USEF and National Show Horse Registry Rulebooks. Eligible foals must be registered with the National Show Horse Registry at the time entry is made into the Jackpot Futurity class.

Prize Money Paid to Top Ten - Starting with the 2003 Stallion Row Jackpot Auction, (resulting weanling auction class in 2005), prize money for the resulting Stallion Row Jackpot Weanling Auction Open class will be paid through National Top Ten: 30% Champion, 15% Reserve Champion, 10% for 3rd through 5th placings and 5% for 6th through 10th placings from adjusted gross amount of funds collected from Stallion Row Jackpot Auction.

Advertising and Miscellaneous Costs - Starting with the 2002 Stallion Row Jackpot Stallion Auction, (if the gross proceeds are \$50,000 or greater), 5% of the gross proceeds, not to exceed \$5,000, will be taken for the promotion and advertising of the *Stallion Row Jackpot Futurity Program*. Ribbon and trophy costs will also taken out of gross proceeds of the SRJ Auction.

Stallion Row Jackpot Weanling Auction Open Class - This jackpot competition is for National Show Horse foals out of designated/nominated auction breeding mares only. It will be held at the NSHR Finals with one class, combining sexes unless participation warrants splitting the class. There shall be no entry fee for this class. Prize money is the result from the net proceeds (total of SRJ Auction less expenses) of the Stallion Row Jackpot Stallion Service Auction for that respective year.

Stallion Row Jackpot All Amateur Extravaganza Classes - Stallion Row Jackpot All Amateur Extravaganza classes are jackpotted prize money classes only and are designed to provide the amateur with a more level playing field in which to participate. These classes will have an entry fee of \$150.00 (\$100.00 jackpotted for prize money and \$50.00 to the NSHR for administrative fees/costs/ribbons), if paid by entry closing date. If entered after official entry closing date and prior to post entries closing, entry fee will be \$500.00 (\$400.00 jackpotted for prize money and \$100.00 to the NSHR). Prize money for the resulting "Non-Auction" All Amateur Extravaganza classes will be paid through National Top Ten: 30% Champion, 15% Reserve Champion, 10% for 3rd through 5th placings and 5% for 6th through 10th placings. See breakdown below for specific classes. Any National Show Horse offspring sired by a NSHR Stallion Row Jackpot Stallion, even if the stallion was not a Stallion Row Jackpot sire at the time of their conception, are eligible to compete in the Stallion Row Jackpot All Amateur Extravaganza Futurity classes.

Stallion Row Jackpot "Non-Auction" Futurity Open Classes - Stallion Row Jackpot Futurity classes, halter and performance, excluding the *Stallion Row Jackpot Weanling Auction Open Class*, will have an entry fee of \$150.00 (\$100.00 jackpotted for prize money and \$50.00 to the NSHR for administrative fees/costs/ribbons) if paid by entry closing date. If entered after official entry closing date, and prior to post entries closing, entry fee will be \$500.00 (\$400.00 jackpotted for prize money and \$100.00 to the NSHR).

Stallion Row Jackpot Open classes are jackpotted prize money classes with the potential of additional funding. Any additional funding for these open classes will depend on the amount of

money raised at the annual SRJ Stallion Service Auction. To be eligible, in open classes only, the foal must be sired by a Stallion Row Jackpot sire from the previous year of their conception or be sired by a **Diamond Stallion**. Prize money for the resulting "Non-Auction" Futurity Open classes will be paid through National Top Ten: 30% Champion, 15% Reserve Champion, 10% for 3rd through 5th placings and 5% for 6th through 10th placings. To be eligible, in open classes only, the foal must be sired by a Stallion Row Jackpot sire from the previous year of their conception or be sired by a **Diamond Stallion**.
